TEXAS A&M
AGRI LIFE
EXTENSION

It is with great appreciation that we extend an invitation to you for the Hill County Producer Appreciation Dinner, Thursday February 8, 2024 at 6:00pm, located at the West Knights of Columbus Hall, 2547 Jerry Mashek Dr, West, TX 76691.

This **unique family friendly event** is held annually to recognize Hill County Agriculture Producers and shines a light on producers who have assisted with Result Demonstrations and Applied Research projects for the benefit of Research and Development in Agriculture. We also recognize current, past and future sponsors of the Hill County Crops Committee and IPM Steering Committee. Without our dedicated sponsors, we would not be able to operate as successfully as we do.

If you have any questions or are needing more information please call the Hill County Extension Office (254) 582-4022
